

Press Release September 4<sup>th</sup> 2015

## Puzzle Platformer “Shift Happens” finally hits Steam on September 9<sup>th</sup> 2015

After it made a sensational show appearance at Gamescom 2015, the wicked puzzle platformer Shift Happens is going to be available as Early Access on Steam on the 9<sup>th</sup> of September 2015.

“Shift Happens” focuses on cooperative puzzle solving with great couch compatibility. At its core, the game revolves around the “Shift” functionality and the two protagonists Bismo and Plom. Bound together by accident, they can shift their masses between each other. This ability is crucial to solve the many challenging puzzles.

Published by Deck13, Klonk Games’ “Shift Happens” is set for a digital release in Q1 2016 on Steam, Xbox One and Playstation 4.

To be part of the development, gamers will be able to join Early Access on September 9<sup>th</sup> by following this link:
